THE GLEN SPRINGS

WATKINS GLEN, N. Y.

OPEN ALL THE YEAR

The American Nauheim

The Glen Springs is a Health Resort combined with a Hotel of the highest class, and entirely free from all the distressing evidences of sickness usually found in Sanitariums. (No insanity, epilepsy, tuberculosis nor any contagious or offensive disease received.)

Its valuable Medicinal Mineral Springs; (OUR NAUHEIM SPRING IS ONE OF THE STRONGEST NATURAL BRINES KNOWN); its Thermal, Brine, Electrical, Radiant Heat and Light, and Nauheim Baths; (THE ONLY PLACE IN AMERICA USING A NATURAL BRINE FOR THE NAUHEIM BATHS); its complete Hydrotherapeutic, Mechanical and Electrical equipment for the treatment of chronic diseases, all administered under the direction of experienced physicians; together with its excellent service and cuisine, its modern appointments, homelike features and liberal management, place it in the front rank of Resorts for

HEALTH, REST AND RECUPERATION.

In the treatment of Rheumatism, Uric Acid, Gout, Obesity, Neuralgia, Diabetes, Digestive Disorders, Insomnia, Anemia, Neurasthenia and Diseases of the Nervous System and of the Heart and Kidneys we offer advantages unsurpassed in this country or in Europe.

For illustrated booklet and further information, address Wm. E. Leflingwell, President, Watkins, N. Y.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NORTH CAROLINA.

CAPITAL, RALEIGH.

Population of State. 2,059,326.

(U. S. Census Bureau 1906.)

Number of Physicians, 1,910.

The State of North Carolina is bounded on the north by Virginia, east by the Atlantic ocean, south by South Carolina and Georgia and west by Tennessee. It is included nearly between the parallels 34 degrees and 36½ degrees north latitude, and between the meridians 75½ degrees and 84½ degrees west longitude.

The extreme length of the state from east to west is 503¼ miles; its average breadth is 100 miles; its extreme breadth is 187½ miles. Its area embraces 52,286 square miles, of which 48,666 is land, and 3,620 is water.

Its topography may be best conceived by picturing to the mind's eye the surface of the state as a vast declivity, sloping down from the summits of the Smoky Mountains an altitude of nearly 7,000 feet, to the level of the Atlantic ocean. The Smoky Mountains constitute a part of the great Appalachian chain which here attains its greatest height; the greatest, indeed, in the United States, east of the Rocky Mountains. This slope is made up of three wide extended terraces—if that term may be allowed; the first a high mountain plateau—distinguished as the western or mountain section; the second, a submontane plateau, distinguished as the middle section or the Piedmont plateau region; the third, the Atlantic plain, distinguished as the low country or the coastal plain region, and that part from the head of the tides downward as the tidewater section. From the first to the

second section there is a sharp descent through a few miles only of not less than 1,500 feet; from the middle to the low country a descent of about 200 feet; through the two latter, however, there is a constant downward grade.

North Carolina, climatically, is naturally divided into three regions—the three already described as Mountain, Piedmont and Coastal Plain. The effect of the prolongation of the latter into the Atlantic is to give the climate of the region a marine character, the effect of the presence of the sea being to lessen the changes in temperature both diurnal and seasonal, and to increase the amount of precipitation, which is pretty evenly distributed throughout the four seasons of the year.

On the other hand, in the mountains the influence of elevation predominating; the summers are cooler, the winters more severe than in the east, but mild in comparison with the middle northern states; the dryness of the air renders the region salubrious.

Intermediate between these regions, in the Piedmont plateau, may be found all gradations of the climate of the two.

The mean temperature of the state is 59 degrees F.; and by seasons: Spring, 55 degrees; summer, 76 degrees; autumn, 60 degrees; winter, 42 degrees. January is the coldest of the year, 31 degrees, and July is the warmest, 81 degrees.

The normal average precipitation for the state is 52 inches; the mountain region, 53 inches; the Piedmont plateau, 45 inches; the Coastal Plain, 54 inches. The rainfall is uniformly distributed throughout the year, and during those months when crops require abundant moisture the amount received is great-

THE LAWS REGULATING THE PRACTICE OF MEDICINE IN NORTH CAROLINA.

Section 3121. Medical Society of the State, a Body Politic. Private Laws, 1858-'9, c. 258, s. 1:

The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Section 3122. Who May Practice. 1858-'9, c. 258, s. 2:

No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of disease for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Section 3123. Board of Physicians to Consist of Seven. 1858-'9, c. 258, ss. 3, 4:

In order to the proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Section 3124. Duty of Board. 1858-'9, c. 258, s. 5:

It shall be the duty of the said Board to examine all applicants who shall exhibit a diploma, or furnish satisfactory proof of graduation, from a medical college in good standing, requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the said Board, for license to practice medicine, or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, and the Practice of Medicine, and if on such examination they be found competent, to

1416 North Carolina (1910) POLK'S MEDICAL REGISTER North Carolina

grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided, five members of the Board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant: Provided, that the requirement of three years' attendance shall not apply to those graduating prior to January first, 1900: Provided, further, that license or other satisfactory evidence of standing as a legal practitioner in another State shall be accepted in lieu of a diploma and entitle to examination.

Section 3125. Temporary License. 1858-'9, c. 258, s. 7:

To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in section three thousand one hundred and twenty-four as amended, and make report thereof to the next regular meeting of the Board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the Board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Section 3126. How appointed. 1858-'9, c. 258, s. 9:

The Medical Society shall have power to appoint the Board of Medical Examiners. Section 3127. Where and When to Assemble. 1870-'1, c. —, s. 11:

The Board of Medical Examiners shall assemble at the same time and place when and where the Medical Society assembles, which Society shall assemble at least once in every year at such time and place as the said Society, at its next preceding meeting, shall have fixed; and the said Board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of: Provided, that the said Board may, at its discretion, meet not more than one week before the said Society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the State if deemed advisable.

Section 3128. Officers, etc. 1858-'9, c. 258, s. 11:

The Board of Medical Examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of said Board, the Board, or a quorum thereof, is empowered to fill such vacancy.

Section 3129. The Board of Examiners to keep a Record. 1858-'9, c. 258, s. 12:

The Board of Examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the Board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Section 3130. License. 1858-'9, c. 258, s. 13:

The Board shall have power to demand of every applicant thus licensed the sum of ten dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the Secretary of the Board.

Section 3131. The Board; their Compensation. 1870-'1, c. —, s. 14:

The members of the said Board shall each receive as a compensation for their services four dollars per day during the time of their session, and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the Secretary of the Board out of any moneys in his hands, upon the certificate of the President of the Board of Medical Examiners.

Section 3132. Practicing Without License. 1858-'9, c. 258, s. 15; 1885, c. 117 and 261:

Any person who shall practice medicine or surgery without having first applied for and obtained license from the said Board of Examiners, shall not be entitled to sue or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this State for fee or reward after the passage of this act [March 7th, 1885], without first having obtained license from said Board of Examiners, shall not only be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars, nor more than one hundred dollars, or imprisoned at the discretion of the court, for each and every offense: Provided, that this act shall not be construed to apply to women who pursue the vocation of a midwife: And provided further, that this act shall not apply to any reputable physician or surgeon resident in a neighboring State or coming into this State for consultation with a registered physician resident therein. But this proviso shall not apply to physicians resident in a neighboring State regularly practicing in this State: Provided, that this section shall not apply to physicians who have a diploma from a regular medical college, and were practicing medicine or surgery in this State prior to the seventh day of March, one thousand eight hundred and eighty-five.

Section 3133. May Rescind License. 1858-'9, c. 258, s. 16:

Said Board shall have the power to rescind any license granted by them when, upon satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Section 3134. Secretary. 1858-'9, c. 258, s. 17:

The Secretary of the Board of Medical Examiners shall give bond, with good security, to the President of the Board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration. 1889, c. 181, ss. 3(in part), 4, 5, 6, 7:

Section 3. That chapter thirty-four of The Code be amended by striking from

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS**, 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As 'like cures like,' what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

North Carolina

OF NORTH AMERICA (1910)

North Carolina 1417

section three thousand one hundred and twenty-five the words "for confirmation," and by adding immediately after section three thousand one hundred and thirty-four the following words: "Any person who shall begin the practice of medicine or surgery in this State after the passage of this act shall personally appear before the Clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the Board of Medical Examiners of the State, as now provided by law for registration."

Section 4. That any person applying for registration as herein provided shall produce and exhibit before the Clerk of the Superior Court a license obtained from the Board of Medical Examiners aforesaid; and upon such exhibit being made as aforesaid the Clerk shall register the date of registration with the name and residence of such applicant in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county upon the form furnished him, as hereinafter provided, for which the Clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county in this State; but if he shall remove his residence to another county he shall exhibit the said certificate to the Clerk of such other county and be registered, which registration shall be made by said Clerk without fee or charge: Provided, that any one having obtained a temporary license, as provided in section three thousand one hundred and twenty-five of The Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Sec. 5. That any person who shall practice medicine or surgery in this State without first having registered and obtained the certificate as aforesaid shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned at the discretion of the Court, for each and every offense: Provided, this act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring State coming into the State for consultation with a registered physician of this State.

Section 6. That any Clerk of the Superior Court who shall register or issue a certificate to any person in any other manner than that prescribed by this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars and shall be removed from office.

Section 7. That it shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this act.

RULES AND REGULATIONS OF THE BOARD OF MEDICAL EXAMINERS OF THE STATE OF NORTH CAROLINA.

REQUIREMENTS FOR ENTRANCE TO EXAMINATION FOR MEDICAL LICENSE.

An applicant for license to practice medicine in North Carolina must appear before the Board of Medical Examiners in regular session and present a certificate of good moral character, attested by two persons known to the Board, a diploma from a medical college in good standing or a license from some other State, and must deposit ten dollars with the Secretary of the Board. He will then be examined upon the following branches of medicine: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, and the Practice of Medicine.

He must make an average of eighty per cent. upon all the branches, and he must not fall below thirty-five per cent. upon any one branch.

TEMPORARY LICENSE.

An applicant for temporary license must appear before two members of the Board of Medical Examiners and present a certificate of good moral character, a diploma from a medical college in good standing, and must pay a fee of five dollars. He must then stand a satisfactory oral examination.

A temporary license continues in force only until the next regular meeting of the Board, and is never granted but once to the same applicant.

REQUIREMENTS FOR LIMITED LICENSE.

1. The applicant must furnish a certificate of good moral character from two persons known to the Board.

2. He must show to the Board that a physician is needed in the territory for which he asks, and that the services of a regularly licensed physician cannot be had in this territory.

3. He must present to the Board the endorsement of the County Medical Society in the county in which he desires to practice, or in case the County Medical Society is dormant the endorsement of the regularly licensed physicians in said county. This endorsement to cover both the applicant and the territory.

4. He must present himself before the Board at its regular annual session, pay a fee of \$10.00, and pass an examination satisfactory to the Board.

5. His application must be filed with the Secretary at least thirty days before the meeting of the Board.

REQUIREMENTS FOR RECIPROCITY.

1. The applicant must have a diploma from a medical college requiring a four years' course of study, and rated as satisfactory by this Board.

2. He must not have failed before the North Carolina Board.

3. He must present himself in person before the North Carolina Board at its regular annual session, and pay a fee of ten dollars.

4. He must fill out a blank application in regard to his moral character, educational attainments, identity, etc., and file the same with the Secretary at least thirty

days before the meeting of the Board. (Blank applications may be obtained from the Secretary upon request.)

5. Reciprocity will be granted to physicians who have been admitted by examination to the United States Public Health and Marine Hospital Service, the U. S. Navy or Army, and have been continuously in service, or have received honorable discharge, and have been in continuous successful practice to the date of application.

6. Due consideration will be given to original research, contributions to medical literature, hospital work, positions of medical trust, preliminary education, etc., passing each individual case upon its merit as it comes before the Board.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R, Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 463,784.
 (U. S. Census Bureau, 1906.)
 Number of Physicians, 573.

Dakota is an Indian name and signifies "confederated" or "leagued together" and applied originally to the Sioux confederation of Indians. The present State of North Dakota together with that of South Dakota was a part of the territory purchased by President Thomas Jefferson from France in 1803 and known as the Louisiana Purchase. The employes of various fur companies were the first white settlers of the territory of Dakota. As early as 1803 the government established Fort Clark on the Missouri at the mouth of the Knife river—a point about seven miles up the river from where Lewis and Clark had in 1804-05 spent the winter and established what they called Fort Mandan. In 1811 Lord Selkirk built a fort at Pembina on the Red river a short distance below the international boundary line. Fort Pierre was built in 1829 and the first steamer ascended the Missouri river in 1830. In 1839 General John C grees and the extreme minimum from 34 degrees below zero to 55 degrees below; but it is not to be supposed that such readings are often recorded or that the extremes are of long duration. From the fact that the humidity or moisture in the air is always low, these periods of extreme heat or cold are not accompanied by the discomfort or distress that is experienced in the seaboard states.

The mean annual precipitation is slightly over 17 inches, varying from Fremont crossed over the country from the Missouri to the James river, thence across the country to Devil's Lake. Dakota was organized as a territory March 2, 1861, and was divided into the two states of North and South Dakota on November 2, 1889. It extends from 46 degrees 22 minutes 30 seconds to 104 degrees west longitude, and is bounded on the north by the British possessions, on the west by Montana, on the east by Minnesota and on the south by South Dakota. It is 212 miles in length, has an average breadth of 340 miles, and comprises an area of 72,312 square miles.

The climate of North Dakota is much more pleasant than it is generally thought to be by those who have not experienced it or consulted statistics on the subject. The popular belief that the winters are of arctic severity is not warranted by the meteorological records that have been kept in the state for the past 40 years. From these records it is found that the average or mean temperature of the state is 39 degrees and that the monthly mean temperature ranges from 3 degrees in January to 70 degrees in July. The extreme maximum temperature ranges from 101 degrees to 110 degrees about 13 inches in the south central portion to 20 in the northern and north-eastern and 26 in the eastern and south-eastern. November is the month of least precipitation, while June has the greatest, followed next in order by May and July. The time of occurrence of the first killing frost is from August 12 to Sep-

THE RALPH SANITARIUM

A quiet, well equipped and well handled Home Sanitarium, for the treatment of **DRUG** and **LIQUOR** habits. Personal study and attention given each case. A new and very successful treatment, removing the desire and necessity for the Drug or Liquor within a few days and restoring the patient to normal condition in a few weeks' time. Good nursing, every comfort, scientific treatment, no suffering and A CURE. Special rates to physicians. For Literature and full details of treatment address **THE RALPH SANITARIUM, 529 Highland Ave., Kansas City, Mo.**

TEXT OF LAW REGULATING PRACTICE OF MEDICINE IN NORTH DAKOTA.

All persons before commencing the practice of medicine, surgery or obstetrics in this state shall apply to the board of medical examiners for a license so to do, and such applicant shall submit to an examination in the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, diseases of women and children, nervous diseases, diseases of the eye and ear, medical jurisprudence and such other subjects as the board deems advisable, and present evidence of having graduated from a reputable medical college and attended three courses of lectures of at least six months each; provided, however, that after the year 1904, applicants must present evidence of having graduated from a reputable college, and attended four courses of lectures of at least eight months each; and the board shall cause such examination to be practical and scientific and sufficient to test the candidate's fitness to practice medicine, surgery and obstetrics; provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said board who represent the system of medicine of which such applicant has been student. If there be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the governor of North Dakota, but all other examinations other than that in therapeutics shall be conducted as heretofore provided by this act. If such applicant passes the prescribed examination, the board shall grant him a license to practice medicine, surgery and obstetrics in this state, which license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be twenty dollars, to be applied by the board toward paying the expenses thereof. The board, in its discretion, may grant license for the same fee without examination to applicants examined and licensed by other state examining boards maintaining standards not lower than those provided for in this article. The board may revoke or refuse a license for dishonorable or immoral conduct, chronic or persistent inebriety or mental aberration, excessive use of narcotics, or for the practice of criminal abortion. In complaints for violating the provisions of this section the accused shall be furnished with a copy of the complaint and be given a hearing before the board in person or by attorney.

Sec. 280. Penalty for Practicing Without a License.—Any person practicing medicine, surgery and obstetrics without a license, or otherwise violating the provisions of this article, is guilty of a misdemeanor and upon conviction thereof, is punishable by a fine of not less than fifty or more than one hundred dollars, or by imprisonment in the county jail not exceeding thirty days, or by both. Nothing in this act shall be construed so as to prohibit gratuitous assistance to a sick or injured person in case of emergency.

INFORMATION TO APPLICANTS.

State Certificates authorizing the practice of Medicine and Surgery in the State of North Dakota, are issued by the State Board of Medical Examiners upon complying with the following requirements, based upon "An Act to regulate the practice of Medicine and Surgery in the State of North Dakota," becoming operative July 1, 1905, the text of which appears above.

The applicant must file with the Secretary, at his office in Grand Forks, the application upon the reverse side of this sheet, fully and properly filled out and attested by notary public or other officer qualified by law to administer oath. Application must be accompanied by fee of Twenty Dollars, and for the purpose of verification, Diploma of Medical Institution of which applicant is a graduate.

Application must be filed on or before the fifteenth of the month preceding the examination.

The applicant must pass an examination in those general subjects and topics, a knowledge of which is commonly required of candidates for the Degree of Doctor of Medicine by reputable medical colleges in the United States. At the present time the list embraces the branches enumerated upon the reverse page.

The board has no power to grant temporary permits.

Examinations are in writing and are held in Grand Forks, beginning on the first Tuesday of January, April July and October of each year. Each examination covers a period of three days.

A general average of not less than 75 per cent is required, and an applicant must not fall below 65 per cent, in any branch.

It is the aim of this Board to effect mutual reciprocal relations with all State Boards having a standard equal to our own, such reciprocity becoming operative for certificates granted on and after the date of July 1st, 1905.

In cases of application for endorsement by reciprocity the Secretary shall decide provisionally whether applicant is entitled to be so admitted, but his action is not

SPRAGUE INSTITUTE

final or binding upon the Board, and if not approved by the whole board the applicant must present himself for examination at the first following examination.

For all graduates of 1905 and thereafter we insist upon a minimum entrance requirement of graduation from an accredited high school or its equivalent; for graduates of 1912, and thereafter, we shall require the preliminary educational standard adopted by the Medical Department of the University of North Dakota, to-wit: In addition to a high school diploma two years' work in a College of Liberal Arts, having a standard equal to that of the University of North Dakota.

ADDENDA.

By resolution of the North Dakota State Board of Medical Examiners adopted July 16, 1908, on and after this date the Board will not recognize medical colleges rated by the Council on Medical Education of the American Medical Association, below 50, as being in 'good standing,' and their graduates will not be admitted to examination within this State.

RECIPROCITY.

Qualification No. 1.

That a certificate of registration showing that an examination has been made by the proper Board of any State, on which an average grade of not less than 75 per cent. was awarded, the holder thereof having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in the state where reciprocal registration is sought, may be accepted in lieu of examination, as evidence of qualification. Provided, that in case the scope of the said examination was less than that prescribed by the state in which registration is sought, the applicant may be required to submit to a supplemental examination by the Board thereof, in such subjects as have not been covered. And provided further, that the applicant shall have been reputably engaged in the practice of medicine for at least one year subsequent to receiving the license upon which registration in this state is sought.

Under the strict terms of this Qualification, upon licenses bearing the date of July 1st, 1905, or later, and secured by examination, North Dakota reciprocates with the following states: Maine, Vermont, Michigan, Illinois, Wisconsin, West Virginia, Minnesota, Texas and Arkansas.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; %, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

OHIO.

CAPITAL, COLUMBUS.

Population of State, 4,448,677.
(U. S. Census Bureau, 1906.)
Number of Physicians, 7,762.

Ohio was formed from the Northwest-
ern Territory, ceded to the United States
by Virginia in 1783, and admitted to the
Union as a state in 1802. It extends
from 38 degrees 25 minutes to 42 de-
grees north latitude, and from 80 de-
grees 28 minutes to 84 degrees 42 min-
utes west longitude, and is bounded on
the north by Michigan and Lake Erie,
on the south and southeast by the Ohio
river which separates it from Kentucky
and West Virginia, on the east by Penn-
sylvania, and on the west by Indiana.
It had, according to the U. S. census of
1900 a population of 4,175,545 as com-
pared with a population in 1890 of
3,672,316, representing an increase dur-
ing the decade of 485,229 or 13.2 per
cent. The following table shows increase
in population since 1800:

1800.....	45,365	1860.....	2,339,511
1810.....	230,760	1870.....	2,665,260
1820.....	581,295	1880.....	3,198,062
1830.....	937,903	1890.....	3,672,316
1840.....	1,519,467	1900.....	4,157,545
1850.....	1,980,329		

The total land surface of Ohio is, ap-
proximately, 40,760 square miles, the
average number of persons to the square
mile at the censuses of 1890 and 1900
being as follows: 1890, 90.1; 1900, 102.0.

The climate is mild and salubrious.
The mean annual temperature is about
50 degrees in the northern tier of coun-
ties; 51 degrees in the central part of the
state, and 54 degrees in the most south-

erly parts, along the banks of the Ohio
river. The average rainfall is about 41
inches, being the greatest along the
valley of the Ohio.

Ohio has no elevations that could be
termed mountains, but it is far from
being a level plain. With the exception
of the northwestern part, it is a table-
land, having a mean elevation above the
sea of 1,000 feet, the inequalities of
which are the result of the erosion or
excavation of valleys and ravines by the
streams of water. A ridge or rather a
swell of the ground forms the divide be-
tween the waters flowing north into
Lake Erie and those flowing south into
the Ohio river. Near the 40th parallel
extends a belt of hills from east to west,
through the middle of the state, abound-
ing in highly picturesque scenery. To-
ward the south the valleys cut out by
the streams grow deeper and deeper,
until they reach the valley of the Ohio
river, which is several hundred feet be-
low the general level of the state. The
surface of that part of the state which
lies north of the watershed is generally
level, and has a gentle inclination toward
the lake.

Ohio has a large number of rivers and
a lake front of 230 miles. The princi-
pal rivers are the Ohio, Little Beaver,
Muskingum, Hocking, Scioto, Mahoning,
Little Miami, Great Miami, Vermillion,
Ashtabula, Cuyahoga, Portage, Maumee,
Sandusky, Huron, Black, Chagrin and
Rocky.

THE STATUTES OF OHIO REGULATING THE PRACTICE OF MEDICINE AND SURGERY, IN EFFECT JULY 1, 1908.

Passed February 27, 1896—House Bill No. 76.

Amended April 14, 1900—House Bill No. 221.

Amended April 21, 1902—House Bill No. 170.

Amended March 19, 1906—House Bill No. 42.

Revised and Consolidated May 9, 1908—House Bill No. 1268.

A BILL to revise and consolidate the laws relating to the appointment, powers and duties of the State Board of Medical Registration and Examination.

Be it enacted by the General Assembly of the State of Ohio:

STATE MEDICAL BOARD.

Section 19. The governor, with the advice and consent of the senate, shall appoint a state medical board, consisting of seven members, who shall be physicians in good standing in their profession. One member shall be appointed each year and shall serve for a term of seven years. Schools of practice shall be given representation on the board as nearly as possible in proportion to their numerical strength in the state, but no school shall have a majority of the board. [R. S. Sec. 4403.]

Section 20. The state medical board shall organize by the election of a president and a treasurer, who shall be members of the board, and a secretary, who shall be a physician in good standing in his profession. Each of the officers so elected shall

1458

Ohio

(1910) POLK'S MEDICAL REGISTER

Ohio

serve for a term of one year, and the president and the secretary may administer oaths. [R. S. Sec. 4403.]

Section 21. Each member of the state medical board shall receive ten dollars for each day employed in the discharge of his official duties and his necessary expenses so incurred. [R. S. Sec. 4403.]

Section 22. The secretary of the state medical board shall receive an annual salary, to be fixed by the board, and his necessary expenses incurred in the performance of his official duties. [R. S. Sec. 4403.]

Sec. 23. The treasurer of the state medical board shall give a bond to the state in the sum of ten thousand dollars, with two or more sureties approved by the board, conditioned for the faithful discharge of the duties of his office. Such bonds, with the approval of the board and the oath of office indorsed thereon, shall be deposited with the board and kept in its office. [R. S. Sec. 4403.]

Section 24. The state medical board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times and places as the board may direct. Five members of the board shall constitute a quorum. The board shall have a seal and shall prescribe rules for its government. [R. S. Sec. 4403.]

Section 25. The state medical board shall keep a record of its proceedings. It shall also keep a register of applicants for certificates, showing the name of the applicant, the name and location of the institution granting him the degree of doctor of medicine or surgery, and whether he was granted or refused a certificate. The books and records of the board shall be prima facie evidence of matters therein contained. [R. S. Sec. 4403.]

Section 26. Each person who desires to practice medicine or surgery shall file with the secretary of the state medical board a written application, under oath, on a form prescribed by the board, and furnish satisfactory proof that he is more than twenty-one years of age and of good moral character. [R. S. Sec. 4403c.]

Section 27. The state medical board shall appoint an entrance examiner, who shall not be directly or indirectly connected with a medical college and who shall determine the sufficiency of the preliminary education of applicants for admission to the examination. The following preliminary educational credentials shall be sufficient:

A diploma from a reputable college granting the degree of A. B., B. S., or equivalent degree;

A diploma from a legally constituted normal school, high school or seminary, issued after four years of study;

A teacher's permanent or life certificate;

A student's certificate of examination for admission to the freshman class of a reputable literary or scientific college.

In the absence of the foregoing qualifications the entrance examiner may examine the applicant in such branches as are required for graduation from a first-class high school of this state, and to pass such examination shall be sufficient qualification. Such examination shall be held simultaneously in Cincinnati, Cleveland, Columbus and Toledo, and the questions submitted shall be uniform in such places. If the entrance examiner finds that the preliminary education of the applicant is sufficient, he shall, upon payment to the treasurer of the state medical board of a fee of two dollars, issue a certificate thereof, which shall be attested by the secretary of the state medical board.

The applicant must also produce a certificate issued by the entrance examiner and a diploma from a legally chartered medical institution in the United States, in good standing, as defined by the board, at the time the diploma was issued or a diploma or license approved by the board which conferred the full right to practice all branches of medicine or surgery in a foreign country. [R. S. Sec. 4403c.]

Section 28. At the time of his application the applicant shall present such diploma or license, with his affidavit that he is the person named therein and is the lawful possessor thereof, stating his age, residence, the college or colleges at which he obtained his medical education, the time spent in each, the time spent in the study of medicine, and such other facts as the state medical board requires. If engaged in the practice of medicine or surgery, the affidavit shall state the period during which and the place where he has been so engaged. [R. S. Sec. 4403c.]

Sec. 29. If the state medical board finds that the applicant has obtained any one of the credentials necessary for admission to the examination, that his diploma is genuine and granted by a legally chartered medical institution in the United States in good standing as determined by the board, or that his license is genuine and confers upon him full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the board, that the person named in the diploma or license is the person holding and presenting it and is of good moral character, the board shall admit such applicant to an examination. [R. S. Sec. 4403c.]

Sec. 30. The examinations of applicants for certificates to practice medicine or surgery shall be conducted in the cities of Cincinnati, Cleveland, Columbus and Toledo under rules prescribed by the state medical board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, diagnosis, surgery, obstetrics and such other subjects as the board requires. The applicant shall be examined in materia medica and therapeutics and principles and practice of medicine of the school of medicine in which he desires to practice, by the member or members of the board representing such school. [R. S. Sec. 4403c.]

Sec. 31. If the applicant pass such examination, and has paid the fee required by law, the state medical board shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal. Such certificate when deposited with the probate judge as required by law, shall be conclusive evidence that the person to whom it is issued is entitled to practice medicine or surgery in this state. An affirmative vote of not less than five members of the board is required for the issuance of a certificate. [R. S. Sec. 4403c.]

Section 32. The state medical board may refuse to grant a certificate to a person guilty of fraud in passing the examination, or at any time guilty of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery. Upon notice and hearing, the board, by a vote of not less than five members, may revoke a certificate for like cause or causes. [R. S. Sec. 4403c.]

Section 33. An appeal may be taken from the action of the state medical board refusing to grant or revoking a certificate, for the causes named in the preceding section, to the governor and attorney-general, whose decision affirming or overruling the action of the state board shall be final. [R. S. Sec. 4403c.]

Section 34. Each applicant for a certificate to practice medicine or surgery in this state shall pay a fee of twenty-five dollars for an examination. On failure to pass such examination the fee shall not be returned to the applicant, but within a year after such failure he may present himself and be again examined without the payment of an additional fee. All fees for examinations shall be paid in advance to the treasurer of the board and by him paid into the state treasury to the credit of a fund for the use of the state medical board. [R. S. Sec. 4403c.]

Section 35. Each person who receives a certificate to practice medicine or surgery, before beginning practice, must deposit his certificate with the probate judge of the county in which he resides. The probate judge shall record it in a book kept for that purpose and indorse on the margin of the record and on the certificate the time when he received it for record, and make an index to all certificates by him recorded. The probate judge shall also note the revocation of a certificate, or the death or change of location of the owner of a certificate in the margin of the record. If the owner of a certificate changes his place of residence, he must have such certificate recorded by the probate judge of the county into which he removes. [R. S. Sec. 4403d.]

Section 36. Upon application the probate judge shall make a certified copy of a certificate and the indorsements thereon, which certified copy shall be prima facie evidence of the matters and facts therein contained. [R. S. Sec. 4403d.]

Section 37. For services under the provisions here relating to the state medical board, the probate judge shall receive from the holder of a certificate the following fees: for recording and indexing each certificate, fifty cents; for certified copies, the same fees as are allowed by law for copies of records kept by him. [R. S. Sec. 4403d.]

Section 38. During the month of December in each year, the probate judge shall furnish the secretary of the state medical board a list of certificates recorded and in force, of certificates revoked, and of certificates whose owners have removed from the county or died during the preceding year. [R. S. Sec. 4403d.]

Section 39. The state medical board may dispense with the examination of a physician or surgeon, duly authorized to practice medicine or surgery in another state, a territory or the District of Columbia, who wishes to remove from such state, territory or district and reside and practice his profession in this state, upon his complying with the following conditions:

Such physician or surgeon shall make an application on a form prescribed by the board, pay a fee equal to that which such state, territory or district would require a physician or surgeon of this state removing from this state and residing and practicing his profession in such state, territory or district, and present a certificate or license issued by the medical board thereof; provided the laws of such state, territory or district require of physicians and surgeons practicing therein qualifications of a grade equal to those required of physicians and surgeons practicing in Ohio, and equal rights are accorded by such state, territory or district to physicians and surgeons of Ohio holding a certificate from the state medical board who desire to remove to, reside and practice their profession in such state, territory or district. [R. S. Sec. 4403c.]

Section 40. Each person who desires to practice midwifery in this state, and is not authorized by law so to do, shall appear before the state medical board and submit to such examination as the board requires. [R. S. Sec. 4403e.]

Section 41. If the applicant passes a satisfactory examination and has paid a fee of ten dollars, the state medical board shall issue its certificate to that effect, which must be deposited with the probate judge of the county in the manner provided for a physician's certificate, and thereupon entitle its holder to practice midwifery in this state. Such certificate may be refused or revoked as in the case of certificates to physicians and surgeons. [R. S. Sec. 4403e.]

Section 42. No certificate to practice midwifery shall authorize its holder to perform version, treat breech or face presentation, do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies. [R. S. Sec. 4403e.]

Section 43. A person shall be regarded as practicing medicine, surgery or midwifery, within the meaning of this act, who uses the words or letters, "D.," "Doctor," "Professor," "M. D.," "M. B.," or any other title in connection with his name which in any way represents him as engaged in the practice of medicine, surgery or midwifery, in any of its branches, or who examines or diagnoses for a fee or compensation of any kind, or prescribes, advises, recommends, administers or dispenses for a fee or compensation of any kind, direct or indirect, a drug or medicine, appliance, application, operation or treatment of whatever nature for the cure or relief of a wound, fracture or bodily injury, infirmity or disease. The use of any such words, letters or titles in such connection or under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine, surgery or midwifery, shall be prima facie evidence of the intent of such person to represent himself as engaged in the practice of medicine, surgery or midwifery. [R. S. Sec. 4403f.]

Section 44. Nothing in this act shall prohibit service in case of emergency, or domestic administration of family remedies. This act shall not apply to a commissioned medical officer of the United States army, navy or marine hospital service in the discharge of his professional duties, or to a regularly qualified dentist

when engaged exclusively in the practice of dentistry, or to a physician or surgeon residing in another state or territory who is a legal practitioner of medicine or surgery therein, when in consultation with a regular practitioner of this state; nor shall this act apply to a physician or surgeon residing on the border of a neighboring state and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this state; provided equal rights and privileges are accorded by such neighboring state to the physicians and surgeons of Ohio residing on the border of this state contiguous to such neighboring state. Such practitioner shall not open an office or appoint a place to see patients or receive calls within the limits of this state. [R. S. Sec. 4403f.]

Section 45. The provisions of this act shall not apply to an osteopath who passes an examination before the state medical board in the subjects of anatomy, physiology, obstetrics and diagnosis in the manner required by the board, receives a certificate from such board, and deposits it with the probate judge as required by law in the case of other certificates. Such certificate shall authorize the holder thereof to practice osteopathy in the state, but shall not permit him to prescribe or administer drugs, or to perform major surgery. [R. S. Sec. 4403f.]

Section 46. Before he shall be admitted to an examination before the state medical board a person who desires to practice osteopathy shall pay a fee of twenty-five dollars to its treasurer and file with its secretary such evidence of preliminary education as is required by law of applicants for examination to practice medicine or surgery, together with a certificate from an osteopathic examining committee as hereafter provided, showing that the applicant holds a diploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by such committee, and that he has passed an examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, and the principles and practice of osteopathy. [R. S. Sec. 4403f.]

Section 47. Upon recommendation of the Ohio osteopathic society, the state medical board shall appoint three persons who shall constitute the state osteopathic examining committee. One member of such committee shall be appointed each year, who shall serve for a term of three years. [R. S. Sec. 4403f.]

Section 48. Each person so appointed shall file with the state medical board a certificate of the Ohio osteopathic society that he is a graduate of a reputable college of osteopathy, that he has been engaged in the practice of osteopathy in this state for at least one year, that he is of good moral character, and is in good standing in his profession. [R. S. Sec. 4403f.]

Section 49. Upon recommendation of the osteopathic committee and the payment by the applicant of a fee of fifty dollars, the state medical board may issue a certificate without examination to a graduate of a reputable school of osteopathy, who is of good moral character, and has been engaged in the practice of osteopathy in any other state for at least five years. [R. S. Sec. 4403f.]

Section 50. The osteopathic examining committee shall meet at the office of the state medical board for action on applications for osteopathic certificates at such time as the board directs; but the committee shall take no part in the deliberations of the board. Each member of the committee shall receive the same compensation as a member of the state board, payable as provided in such case. [R. S. Sec. 4403f.]

Section 51. The compensation and expenses of the members and officers of the state medical board and the necessary expenses of the board shall be paid from a fund in the state treasury for the use of the board, upon the warrant of the auditor of the state, issued upon vouchers signed by the president and secretary of the board. [R. S. Sec. 4403c.]

Section 52. Whoever practices medicine or surgery in any of its branches in this state before he obtains a certificate from the state medical board in the manner required by law, or whoever so practices medicine or surgery after such certificate has been duly revoked, shall be fined not less than twenty-five dollars nor more than five hundred dollars, or be imprisoned in the county jail not less than thirty days nor more than one year, or both. [R. S. Sec. 4403c, R. S. Sec. 4403g.]

Section 53. Whoever practices midwifery in this state without first obtaining a certificate from the state medical board, or other competent authority authorizing her so to do, shall be fined not less than twenty-five dollars nor more than one hundred dollars. [R. S. Sec. 4403g.]

Section 54. Whoever announces or advertises himself as an osteopath, or practices as such, without complying with all the provisions of law relating to the practice of osteopathy, shall be fined not less than twenty-five dollars nor more than five hundred dollars or be imprisoned in the county jail not less than thirty days nor more than one year, or both. [R. S. Sec. 4403f.]

Section 55. Whoever files, or attempts to file, as his own, the medical diploma or certificate to practice of another, or files or attempts to file a false or forged affidavit of his identity, or willfully swears falsely in answer to a question asked him on his medical examination or to an affidavit required to be made or filed by him with the state medical board, shall be imprisoned in the penitentiary not less than one year nor more than five years. [R. S. Sec. 4403g.]

Section 56. All fine collected under the last four preceding sections shall be paid to the state medical board. [R. S. Sec. 4403g.]

Section 57. Whoever makes, issues, publishes or cause to be made, issued or published, for the purpose of sale, barter or gift, a diploma, certificate or writing representing the holder thereof to be a graduate of a medical school, college or educational institution of medicine, unless such holder has attended a complete course of instruction therein, which is equal to the average course of instruction in other such schools, colleges or institutions in good standing in this state, shall be fined not less than one hundred dollars nor more than one thousand dollars or imprisoned in the penitentiary not less than one year nor more than three years, or both. [R. S. Sec. 4403a.]

Section 58. Whoever makes, issues or publishes, for the purpose of sale, barter

or gift, a certificate, diploma, other writing or document falsely representing the holder or receiver thereof to be a graduate of a medical school, college or educational institution of medicine and entitled to the powers, privileges or degrees thereby pretended to be conferred; or sells or otherwise disposes of, or offers to sell or dispose of such diploma, certificate, writing or document containing such false representation; or uses his name, or permits it to be used, as a subscriber to such false and fictitious diploma, certificate, writing or document; or engages in the practice of medicine and surgery under and by virtue of such fraudulent diploma, certificate, writing or document, shall be fined not less than one hundred dollars nor more than one thousand dollars or imprisoned in the penitentiary not less than one year nor more than three years, or both. [R. S. Sec. 4403b.]

Section 59. The secretary of the state medical board shall enforce the provisions of law relating to the practice of medicine, surgery or midwifery in this state. If he has knowledge or notice of a violation of such law he shall investigate the matter, and upon probable cause and hearing file a complain and prosecute the offender. When requested by the secretary, the prosecuting attorney of the proper county shall take charge of and conduct such prosecution. [R. S. Sec. 4403g.]

POLK'S DENTAL REGISTER

of the United States and Canada.

The ninth revised edition to be issued July 1910, will contain the names and addresses of over 36,000 **DENTISTS**, with **GRADUATION PARTICULARS**, a list of all **DENTAL COLLEGES** in the United States and Canada, and a synopsis of the **STATE LAWS** for regulating the practice of Dentistry, etc., also a vast amount of other information of special interest to the Dental Profession, calculated to insure for it a large and general circulation.

It is the only standard and recognized Dental Directory and List of Dental Institutions and Societies in the United States and Canada.

THE McMILLEN SANITARIUM

FOR NERVOUS AND MENTAL DISEASES.

For Men and Women.
All Classes of Insanity Admitted.

Alcoholic, Morphine and other
Drug Habits Treated.

We receive and care for patients suffering from any form of nervous disease or with mental complications. Our equipment is kept up-to-date. We offer good care, night attendants, comfortable room, good table, and constant personal supervision.

The Columbus, New Albany and Johnstown Street Cars to Door.

Our lawn is ample and well shaded. The building is warmed by hot water. Patients here find rest and comfort while being treated. Write us, state patient's condition in full, and ask for rates and circular.

Suburb of Columbus, Ohio.

Citizens Phone 4406.

Professional Correspondence Solicited.

BISHOP McMILLEN, M. D., Supt. Address, SHEPARD, OHIO.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

OF NORTH AMERICA (1910)

Ohio

1465

Medical Department of Western Reserve University.

AN endowed medical school. Founded in 1843. Entrance requirements (1) degree from recognized college or scientific school; (2) completion of junior year in undergraduate college **provided** the candidate's college will accept medical work to complete the requirements for the bachelor's degree. In either case the work done must include a specified amount of chemistry, physics and biology. Over eighty per cent of present students hold a college degree.

Situated in a city of over 500,000 population; 70,000 dispensary visits in 1909. Five hospitals available for teaching with 1,100 beds. Laboratories are thoroughly equipped and teachers in laboratory subjects devote all their time to teaching and research. Small classes assure large individual opportunity to each student.

Ninety per cent of graduates of past five years have taken hospital appointments, and there were places for all. No graduate of past five years has failed before any State Board.

Course is four years of thirty-three weeks each. Session opens on October 1st of each year.

For catalogues and information, address

A

B

C

The Eclectic Medical College

CINCINNATI, O.

New Building at 630 W. Sixth Street.

Chartered by the Ohio Legislature March, 1845;
 Charter Amended December 28, 1908, and
 February 16, 1910. Open to men
 and women.

New Building. New Laboratories. New Equipment.

Admission.

The college admits men or women of seventeen years of age, with high school diploma or equivalent amount of education, to be certified to by the Ohio or other State medical board.

Course.

The college year begins Monday, September 19, 1910, and continues thirty-two weeks to Wednesday, May 3, 1911. The course of instruction occupies four years. No advanced standing is given graduates in dentistry, pharmacy, veterinary medicine, midwifery or osteopathy.

Tuition.

The charge for tuition is \$100.00 per year, payable annually on matriculation. No extra charge for matriculation, laboratories or graduation.

Hospital Instruction.

The college clinics are held daily from 8:30 to 10:30 A.M., at the Seton Hospital, 629 Kenyon Avenue. Medical and surgical cases are solicited. No charge for operations. Rooms in hospital at reasonable rates. Students also attend the general lectures at the Cincinnati Hospital and Longview Asylum.

JOHN K. SCUDDER, M.D., Secretary,
CINCINNATI, O

FACULTY.

JOHN URI LLOYD, Phr. M.,
 Emeritus Professor of Chemistry and Pharmacy.
 BISHOP McMILLEN, M.D.,

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS**, 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

FOR MENTAL AND
NERVOUS DISEASES.
(See adv. in Philadelphia)

Ohio

OF NORTH AMERICA (1910)

Ohio

1493

The Shepard Sanitarium

FOR CHRONIC AND NERVOUS DISEASES

FOR MEN AND WOMEN.

Located on the banks of the picturesque Alum Creek. Twenty minutes' ride by street car from the business center of Columbus, Ohio, on the Columbus, New Albany & Johnstown Electric Line. The Shepard Sanitarium, the oldest Sanitarium in Ohio, has been in successful operation for over fifty years. We treat all forms of Chronic and Nervous Diseases—Spinal Troubles, Rheumatism, Disorders of Digestion, Nervous Prostration and Diseases of Women. We make a specialty of The Rest Cure for tired nerves and exhausted physical conditions. We do not treat Epilepsy, Drug or Liquor Habit, or diseases otherwise objectionable. Write for descriptive booklet.

Address **DR. W. E. POSTLE, Supt., Shephard, Ohio**

Professional Correspondence Solicited. Telephones: Citizens, 389; Bell, Long Distance. On Columbus Telephone Exchange.

OKLAHOMA.

CAPITAL, GUTHRIE.

Population (estimated), 1,500,000.

Number of Physicians, 2,249.

The new State of Oklahoma contains 72,000 square miles. In 1890 there were in the whole territory about 65,000 Indians, within whose limits were settled 172,090 white people, many of whom had no property rights recognized by the federal government. In 1900 the census of Oklahoma showed 398,331 and in the Indian Territory 391,960 more; in 1907 the population of the two divisions has certainly risen to 1,500,000 and the people claim anything up to 2,000,000.

Oklahoma is blessed with most favorable conditions of climate, which combined with the variety and natural richness of the soil to make it a veritable garden spot. Situated in the latitude of North Carolina, Tennessee and Northern Texas, its climate might be classed as distinctively southern, yet its maximum summer temperature is seldom, if ever, greater than that of Nebraska or the Dakotas, and the heat is modified by almost continual breezes. Moreover Oklahoma has a much longer growing season than any of the states to the north; while its minimum temperature is much higher, seldom reaching the zero point, and then only for brief intervals. It escapes the extreme humidity that prevails in certain portions of the Mississippi Valley, and is assured in general of sufficient precipitation of moisture to mature the ordinary field, garden and orchard crops of the temperate zone.

The average annual temperature is a little above 60 degrees, ranging from a mean of about 38 degrees in winter to about 80 degrees in summer. In spring the mean temperature is about 60 degrees; in autumn about 62 degrees. The

rainfall of Oklahoma averages annually about 31 inches.

When Oklahoma entered the Union as a state on November 15, 1907, she brought these assets: Population, 1,500,000; area of square miles, 72,000; taxable property, \$800,000,000; railroad mileage, 5,000; annual wheat crop (bushels), 40,000,000; annual corn crop (bushels), 72,000,000; annual cotton crop (bales), 600,000; value of domestic animals, \$98,000,000; bank deposits, \$40,000,000; annual value of mineral products, \$200,000,000; school funds, \$35,000,000. Oklahoma has more than 1,200 manufacturing plants representing investments aggregating \$25,000,000 and giving employment to 10,000 wage-earners. These plants include flour mills, oil mills, cotton gins, broom factories, brick and tile works, cement factories, woodenware and carriage works.

MEDICAL LAW OF OKLAHOMA. SENATE BILL NO. 189.

AN ACT to Define and Regulate the Practice of Medicine; to Create a Board of Medical Examiners for the Examination and Licensing of Physicians and Surgeons and to Prescribe Their Qualifications; to Provide for Their Proper Regulation, and to Provide for the Revocation of Their Licenses, to Require Itinerant Vendors to Procure a County License, and to Fix Suitable Penalties for the Violation of This Act, and Repealing Laws and Parts of Laws in Conflict Herewith.

Be it enacted by the people of the State of Oklahoma:

Section 1. A State Board of Medical Examiners is hereby established, to consist of nine members, learned in medicine, legal and active practitioners in the State of Oklahoma, who shall have resided and practiced medicine in the State under a diploma from a legal and reputable college of medicine of the school to which the said practitioner shall belong for more than three years prior to their appointment, and no one of such schools shall have a majority on said Board.

Provided, That for the societies represented by only one member, there shall be one alternate appointed by the governor to act at the meeting of said Board in case of the absence or inability of the regularly appointed member. Said alternate to derive the same benefits and subscribe to the same oath of office as the regularly appointed members of said Board. The Board shall be appointed by the governor of the State of Oklahoma within thirty days after this act becomes effective, and the term of office therefor shall be for four years, or until a successor is appointed and qualified.

Provided, That the term of office of the first Board shall expire with the term of the present governor in January, 1911. Vacancies occurring at any time on the Board shall be appointed by the governor of the State of Oklahoma as provided for in this section, from a school of medicine from which the vacancy occurs, so that at no time shall one school have a majority on said Board. It shall require a majority vote of said Board to carry any motion or resolution, to adopt any rule, or to pass any measure, or to issue any certificate to practice surgery and medicine as in this act provided. No member of said Board shall be a stockholder or member of the faculty or board of trustees of any medical college or school.

Sec. 2. Each member of said Board shall before entering upon the duties of his office, take the constitutional oath of office from some one qualified to administer oaths, and shall, in addition, make oath that he is a graduate in medicine, and a legally qualified practitioner of medicine and surgery in this State; that he has been engaged in the active practice of medicine and surgery in this State, or in the territory formerly known as Oklahoma, or what was formerly known as Indian Territory, for a period of three years preceding his appointment.

Sec. 3. The State Board of Medical Examiners shall, immediately after the members shall qualify, organize by electing a president, vice-president, secretary and treasurer. The president of said Board shall preside at all meetings of the Board and perform such other duties as the Board by their rules may prescribe. The vice-president shall perform all the duties of the president during the latter's absence of disability. The secretary shall keep a record of all the proceedings of the Board and perform such other duties as are prescribed in this act, or which may be prescribed by said Board. The treasurer shall, in order to qualify, give bond in the sum of \$5,000.00, the same to be approved by the governor, and filed with the

secretary of state. It shall be his duty to receive and care for all money from the secretary, receipting him therefor and to pay out the same upon written order of the secretary, countersigned by the president.

Sec. 4. The Board of Medical Examiners shall preserve a record of its proceedings in a book kept for that purpose, showing name, age, place and duration of residence of each applicant; the time spent in medical study in respective medical schools, and the year and school from which degrees were granted. Said register shall also show whether applicants were rejected or licensed, and shall be prima facie evidence of all matters concerned therein. The secretary of the Board shall, on March the first of each year, transmit an official copy of said register to the secretary of state for permanent record, a certified copy of which, with hand and seal of the secretary of the said Board or secretary of state shall be admitted in evidence in all courts of the State.

Sec. 5. Said Board shall hold regular meetings every three months in some convenient city or town in this State, for the consideration of certificates, and may transact such other business which may properly come before it, and shall have the power to adjourn from time to time, until its business is concluded; notice of the regular meeting of the Board shall be given thirty days previous to the meeting of said Board by publication in at least one daily newspaper in each supreme judicial district. Said Board shall procure a seal for its use and shall receive through its secretary applications for certificates provided to be issued under this act.

Sec. 6. Said Board may from time to time adopt such rules as may be necessary to carry into effect the provisions of this act. Any member of the Board may administer oaths in all matters pertaining to duties of said Board and the Board shall have authority to take evidence on questions pertaining to the enforcement of this act.

Sec. 7. Every person before practicing medicine and surgery or any of the departments of medicine and surgery in this State, must have the credentials herein provided for. In order to procure such credentials, he must produce satisfactory evidence of good moral character, and a diploma issued by some legally chartered medical school or college, the requirements of such medical school or college shall have been at the time of granting such diploma in no particular less than those prescribed by the American Association of Medical Colleges, or the Southern Association of Medical Colleges in that year in which the diploma was granted. Or he must show satisfactory evidence of having possessed such diploma or license from some legally constituted institution which grants medical and surgical licenses only on actual examinations, or satisfactory evidence of having possessed such license or diploma. He must accompany said diploma or license with an affidavit showing that he is the person therein named, and that the diploma or license was procured in the regular course without fraud or misrepresentation of any kind, such affidavit to be taken before any person authorized to administer oaths. The same shall be attested under the hand and seal of such officer, if he have a seal. In addition to such affidavit, the Board shall hear such information as in its discretion it may deem proper as to any of the matters embraced in said affidavits. If it should appear from the evidence that said affidavit is untrue in any particular, or if it should appear that the applicant is not of good moral character, the application must be rejected; Provided, That osteopaths shall be subject to the above regulations with the exception that instead of the diploma hereinbefore mentioned they shall be required to file a diploma from a legally chartered college of osteopathy in good repute as such, having a course of instruction of at least twenty months, requiring actual attendance thereon, and after 1907, of three years of nine months each. In addition to the requirements above set out, each applicant for a certificate, upon the payment of a fee of \$15.00 to the secretary of the State Board of Medical Examiners, must be personally examined by said Board as to his qualifications to practice medicine and surgery. The examination must be conducted in the English language, and shall be in whole or in part in writing, and shall be on the following branches, to-wit: Which branches shall be considered fundamental: Anatomy, histology, physiology, chemistry, physical diagnosis, bacteriology, pathology, medical jurisprudence, toxicology, surgery, gynecology and obstetrics, the branches peculiar to the teachings of the school attended by the applicant, and such other additional subjects made necessary by the advance in medical education, as the Board may designate or deem advisable to test the scientific and practical knowledge of the applicant; provided, that the applicant shall be examined in theory and practice, materia medica and therapeutics by those members of the Board of Examiners who represent the school of practice to which the applicant professes to belong; and be it further provided, that those legally qualified to practice medicine only in that school known as osteopathy shall not be permitted to administer medicines internally in the treatment of diseases except in the use of anaesthetics in the practice of surgery and obstetrics, and in cases of emergency. The credentials of applicants which shall be sworn to by the applicants, relating to their general reputation, their preliminary education, and the course of studies that they have pursued; the degrees they have received; the number of years they have been engaged in the lawful practice of medicine; their experience in general hospitals, the medical department of the army, navy and public health and marine and hospital service, licenses granted to them by other states and countries, and their experience as teachers of medicine—all these shall be given consideration by the Board in conducting its examination.

Provided, That nothing herein contained shall be so construed as to prevent midwives from practicing in cases of emergency.

Provided, further, That those who use only herbs and roots and treat diseases without compensation shall not be required to register.

Provided, however, That all physicians who have lawfully registered since Statehood, shall not be required to re-register under this act.

Sec. 8. The said Board may, at its discretion, accept and register upon payment of the registration fee without examination of the applicant, any certificate which shall have been issued to him, or her, by the State Board of Examiners of other states, territories or the District of Columbia.

Provided, however, That the legal requirements of such medical examining board shall have been at the time of issuing such certificate in no degree or particular less than those of Oklahoma at the time when such certificate shall be presented for registration to the Board created by this act.

And provided, further, That the provisions provided in this act shall be held to apply only to such of said medical examining boards as accept and register the certificates granted by this Board without examination by them of the one holding such certificate. Each applicant upon making application shall pay to the secretary of the Board a fee of \$25.00, which shall be paid into the treasury of said Board by its secretary.

Sec. 9. The said Board of Medical Examiners shall conduct and grade all examinations, and all applicants who shall make an average grade of seventy per cent and a minimum in any one branch of fifty per cent, and who shall have complied with the conditions specified in section VII of this act, shall receive the certificate entitling such applicant to practice medicine in this State, subject to the performance by the said applicant of the heretofore preliminary conditions in this act required. The applicants shall be known by numbers so that no member of said Board shall be able to identify the applicants with their respective papers until said papers shall be finally graded. The questions and answers with the respective grades attached, shall be preserved for two years, and shall be open to public inspection by all persons interested. In case of failure to secure the percentage required for a passing grade, the applicant may take another examination within twelve months without extra cost. Temporary permits may be granted and shall be effective until the next meeting of the Board unless sooner revoked for cause.

Provided, That the applicant shows good faith by payment to the secretary of the State Board of Medical Examiners the regular examination fee and delivering to the Board such credentials and other evidences of intention to become a bona fide resident of the State as the Board may require.

Sec. 10. When any applicant has shown himself to be possessed of the qualifications herein required and has successfully passed the examination, a certificate must be issued to him by said Board authorizing him to practice medicine and surgery in this State. Said certificate shall be signed by each member of the Board and sealed with the seal of said Board; provided, however, that all physicians and surgeons who were legally licensed and practicing in Oklahoma Territory and the Indian Territory on the 16th day of November, 1907, shall be required to register with the said Board, but shall be exempt from examination, except as to their credentials, and shall be entitled to re-registration with the said Board, and certificates of registration free of cost; provided, however, that said physician and surgeon desiring re-registration shall make an application therefor within ninety days after this act becomes operative; such physician and surgeon failing to make such application within the said ninety days, shall be considered an illegal practitioner, and shall be dealt with as herein provided, for the violation of this act.

Sec. 11. Every person holding a certificate authorizing him to practice medicine and surgery in this State must have it recorded in the office of the county clerk, as herein provided. Every such person on the change of residence must have his certificate recorded in like manner in the county to which he shall have changed his residence, and said certificate shall be displayed in his office as evidence of having complied with the law. The absence of such record shall be prima facie evidence of the want of possession of such certificate, and every such person holding such certificate who shall practice medicine and surgery, or attempt to practice medicine and surgery, without first having recorded same with the county clerk, as herein provided, shall be deemed guilty of a misdemeanor.

Sec. 12. It shall be the duty of the county clerk of the several counties of the State, immediately upon the taking effect of this act, to purchase, at the expense of the county, a suitable book to be known as the "Medical Register" for the purpose herein set forth; said record shall be open to public inspection during office hours. The county clerk shall receive compensation in the manner provided in the statutes of Oklahoma for the recording of similar documents.

Sec. 13. Said Board must refuse a certificate to any applicant guilty of unprofessional conduct, but before such refusal, the applicant must be cited by citation signed by the secretary of the Board and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the Board charging the applicant with having been guilty of unprofessional conduct and setting forth the particular act constituting such unprofessional conduct. Upon the filing of such complaint, the secretary must forthwith issue a citation and make the same returnable at the next session of the Board occurring at least thirty days next after the filing of the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of such unprofessional conduct shall be heard, and the particular unprofessional conduct with which the applicant is charged. The applicant shall file written answer under oath within twenty days after the service on him of such citation, or default will be taken against his application for certificate refused. The attendance of witnesses shall be compelled at such hearing by subpoenas issued by the secretary of the board under its seal and said secretary shall in no case refuse to issue any such subpoena upon the feet of twenty-five cents being paid to him for its issuance.

Said citation and said subpoenas shall be served in accordance with the statutes of this State, then in force, as to the service of citation and subpoenas generally, and all of the provisions of the statutes of this state then in force relating to the subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuses to obey a subpoena served on him or her according to the statutes of this State, then in force, providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of the said Board, under the seal thereof, to the county court of the county in which the service was had, and said court shall proceed to hear said matter in accordance with the statutes of this State then in force as to contempt for disobedience of its own process. In all cases

of illegal or unprofessional conduct arising under the provisions of this act, and all the provisions of the statutes of this State then in force as to the taking of depositions are hereby made applicable to the taking of testimony under this act. If the applicant shall fail to file with the secretary of the said Board his answer under oath to the charges made against him within twenty days after the service on him of said citation, or within such further time as the Board may give him, the charges on the face may be deemed sufficient by the Board, and default may be entered against him and his application refused.

Whenever any holder of a certificate issued as herein provided, shall be guilty of unprofessional conduct as defined by this act, and such unprofessional conduct is brought to the attention of the Board granting said certificate in the manner herein pointed out, it shall be their duty to, and they must at once revoke the same, and the holder of such certificate shall not thereafter be permitted to practice medicine and surgery or in any other departments of medicine and surgery in this State. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had, as is hereinbefore provided in this section, in case of refusal to issue certificates. The accused party at the time he presents his answer for filing, shall deposit with the secretary his certificate, and unless he does so, the secretary must not file his answer, and default may be thereon entered against him, and his certificate revoked if the charges on their face be deemed sufficient by the Board.

When the certificate is revoked, the secretary of the Board, if the certificate has been deposited with him, shall write across the face thereof in red ink, the fact of such revocation and shall file such certificate so revoked among the archives of his office under the seal of the Board to the county clerk of the county of which the certificate of the person whose certificate has been revoked is recorded, and said county clerk must thereupon write on the margin or across the face of his register the fact and day of such revocation in accordance with this act.

From the time of the revocation of certificate the holder shall be disqualified from practicing medicine in this State.

The words "unprofessional conduct" as used in this act are hereby declared to mean:

First: The procuring or aiding or abetting in procuring a criminal operation.

Second: The obtaining of any fee on the assurance that an incurable disease can be permanently cured.

Third: The wilful betrayal of a professional secret to the detriment of a patient.

Fourth: All advertising of medical business in which grossly improbable statements are made that are calculated to mislead the public.

Fifth: All advertising of any medicine or means whereby the monthly periods of women can be regulated or menses re-established, if suppressed.

Sixth: Conviction of any offenses involving moral turpitude.

Seventh: Habitual intemperance, and the habitual use of habit forming drugs.

Eighth: The employment of what is commonly known as 'cappers' or 'steerers' in procuring practice.

These specifications are not intended to exclude other acts for which license may be revoked on the ground of unprofessional conduct.

Sec. 14. Said Board shall fix the salary of the secretary not to exceed one hundred and fifty (\$150.00) dollars per year, and the other members of said Board shall receive not to exceed six (\$6.00) dollars per diem for each and every day of actual service in the discharge of their duties under this act, and the necessary traveling expenses, and all money in excess of the actual expenses of the Board, as provided by this act, shall be paid annually into the state treasury.

Sec. 15. Any person practicing medicine and surgery in this State without having at the time a valid, unrevoked certificate as provided in this act, shall be deemed guilty of a misdemeanor, and shall be fined not less than one hundred (\$100.00) dollars nor more than five hundred (\$500.00) dollars, or by imprisonment for a term of not less than sixty days nor more than one hundred and eighty days, or by both such fine and imprisonment, and each day's practice shall constitute a separate offense. All fines under the provisions of this section shall be paid into the road and bridge fund of the county wherein the conviction is secured.

Sec. 16. Any person who shall render professional services as a physician in this State, without first complying with the provisions of this act, shall, in addition to the other penalties prescribed herein, receive no compensation for such services; and no indebtedness shall be created thereby against the person for whose benefit such services shall be rendered.

Sec. 17. Every person filing for record, or attempting to file for record the certificate issued to another falsely claiming himself to be the person entitled to the same, shall be guilty of a felony and upon conviction thereof shall be subject to such penalties as are provided by the laws of this State for the crime of forgery.

Sec. 18. The following persons shall be deemed as practicing medicine and surgery within the meaning of this act:

First: Those who prescribe or administer any drug or medicine now or hereafter included in materia medica in the treatment of disease, injury, or deformity of human beings.

Second: Those who practice major or minor surgery in the treatment of disease, injury or deformity of human beings, except dealers in surgical, dental or optical appliances.

The doing of any of the acts in this section mentioned shall be taken to be prima facie evidence of an intent on the part of the person doing any of the said acts to represent himself as engaged in the practice of medicine or surgery, or both. But nothing in this act shall be so construed as to prohibit the service in the case of emergency or the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy, or marine hospital service in the discharge of his professional duties nor to any legally

qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician of surgeon from another State or territory when in actual consultation with a legal practitioner of this State, if such physician or surgeon is at the time of such consultation a legal practitioner of medicine and surgery in the State or territory in which he resides, nor to any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends within the limits of this State, providing that such physician or surgeon shall not open an office or a place to meet patients or receive calls within the limits of this State.

Sec. 19. It shall be unlawful for any person to sell or offer for sale by peddling, or to offer for sale from house to house, or to offer for sale by public outcry, or to be vending in the street, any drug or medicine, pharmaceutical preparation, chemical or any composition or combination thereof, or any implement or appliance or other agency for the treatment of disease, injury or deformity, or by writing, or printing, or any other method to publicly profess to cure or treat any diseases, injury or deformity by any drug, nostrum, manipulation, or other expedient, without previously obtaining a license therefor as herein provided. An annual county license fee of fifty dollars is hereby levied upon all such itinerant vendors, doing business in any county in this State. Said sum shall be paid to the county clerk who shall pay the same over to the county treasurer for the use of the county road and bridge fund of said county. The county clerk shall thereupon issue a license showing the applicant has paid his license fee and is authorized to do business as above described in this section, in that county, for one year. Provided, however, that this shall not prevent incorporated towns or cities from levying an additional license on such vendors of aforesaid articles or goods. Any person who shall violate this section shall upon conviction, be fined not less than fifty dollars nor more than one hundred dollars, or imprisonment, said fine to be turned over to the county treasurer for the use of the county road and bridge fund.

Sec. 20. Said Board of Medical Examiners shall annually on or before the first day of January file with the governor a correct written report of all their proceedings, and account for all moneys received and paid out by them during the year.

Sec. 21. Any person who has been aggrieved by any act, rule or regulation of said Board, shall have his right of action to have such issue tried in the district court of the county in which some member of the Board shall reside.

Sec. 22. Any person who shall violate any of the provisions of this act, except as otherwise provided, shall be fined not less than ten (\$10.00) dollars, nor more than one hundred (\$100.00) dollars for each offense.

Sec. 23. Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10 of Chapter 5 of the session laws of the Territory of Oklahoma of 1893, and sections 1, 2, 3, 4, 5, 6, 7, and 8 of Chapter 22, of the session laws of the Territory of Oklahoma of 1893, and section 15 of Chapter 28, of the session laws of the Territory of Oklahoma of 1897, together with all acts and parts of acts in conflict with this act are hereby repealed.

Approved June 10, 1908.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

* R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

DR. BURNETT'S PRIVATE SANITARIUM

(INCORPORATED)

AN ARISTOCRATIC HOME FOR MENTAL AND
NERVOUS DISEASES, DRUG AND ALCOHOL HABITS

Separate apartments for each; 52 rooms; 13,000 square feet polished floors;
6 complete baths; Electric Light Baths on each floor; modern.

Scientific Equipments and Home Comforts without Hospital atmosphere.

DR. BURNETT'S

Preferred Method of Morphine Treatment; by this method no patient need know when the drug is discontinued and there will be no suffering if the patient obeys instructions. Inebriety with an underlying insanity is incurable; uncomplicated addictions are cureable by treating the patient instead of the habit. Any ignoramus can take away the drug, but short cuts do not cure.

Nervous, Mental and Inebriated cases are assigned to apartments by themselves and cannot annoy each other. Male and female apartments have no communication, male and female nurses respectfully assigned. Ethical Physicians are invited to visit the home.

C

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS** 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Haskell—Cont'd.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Medical Laws OF EACH STATE REVISED TO DATE, FOR READY REFERENCE IN POLK'S MEDICAL REGISTER AND DIRECTORY

Oregon

OF NORTH AMERICA (1910)

Oregon

1563

OREGON.

CAPITAL, SALEM.

Population of State, 500,000.

Number of Physicians, 1,014.

Oregon has a total land area of 94,560 square miles, or 60,518,400 acres, of which 10,071,328 acres, or 16.6 per cent were included in farms at the census of 1900. The water surface of the state is 1,470 square miles, making the gross area 96,030 square miles. It is bounded on the north by Washington, on the east by Idaho, on the south by Nevada and California, and on the west by the Pacific ocean.

The Cascade Mountains, extending north and south, divide the state into "Eastern Oregon" and "Western Oregon." The former contains about two-thirds of the total area of the state, but the latter includes the greater part of the agricultural lands now in use. With irrigation, however, the farm area of the eastern section might be increased tenfold. In the valleys of the western part, notably those of the Willamette, Umpqua and Rogue rivers, the soil is a rich, dark loam.

Although Oregon lies principally between the 42d and 46th parallels of latitude, and is therefore nearly parallel with Minnesota and other rigorous states of the middle west and east, its climate is so tempered by the parallel trend of its mountains and the warm current of the "kuro sineo," or Japanese Gulf Stream of the Pacific Ocean, that extremes of heat and cold are rare, and in many localities unknown. Any kind of climate that may be desired can be found within the borders of Oregon. The valley of the Umpqua is noted for its dry, light air, light snow fall, and little rain, as compared to the valley of the Willamette. The Rogue River valley is warmer in winter and colder in summer than the Umpqua, and is dry in summer, with rain and snow in winter. The Willamette valley has two seasons, the wet and dry, with few extremes of heat and cold. The Lake View region, in the southeastern part of the state, is very cold in winter, with cool summers, and considerable snow in winter, while eastern Oregon is usually hot in summer, with little rain, and light snows in winter.

The following table shows the increase in population since 1850:

1850.....	13,294	1890.....	313,767
1860.....	52,465	1900.....	413,536
1870.....	90,923	1905.....	500,000
1880.....	174,768		

Americans predominate in Oregon. The number of native-born inhabitants in 1900 was 347,788, or 84.1 per cent. Foreigners number 65,748, or 15.9 per cent. The American-born residents, not natives of Oregon, are mainly from the Mississippi and Ohio valleys, California, New York, Washington and Pennsylvania. In 1900 the number of people over 10 years of age was 328,799, of

whom 169,637, or 5.16 per cent, were engaged in gainful occupation.

For list of Medical Colleges, see page 152.

STATE BOARD OF HEALTH.

 Dean.

SYNOPSIS OF MEDICAL LAW REGULATING THE PRACTICE OF MEDICINE.

The State Board of Medical Examiners, consisting of three regulars, one homeopathic and one eclectic physician, is appointed by the Governor.

Section 3 of the Medical Act reads: Every person desiring to practice medicine and surgery, or either of them, in any of their or its branches in the State, shall make a written application to said Board for a license so to do, which application shall be supported and accompanied by an affidavit of such application (applicant) setting forth the actual time spent by the applicant in the study of medicine and surgery, and when, whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such (an) institution, where and under whose tutorship such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit with other States.

In February, 1907, a law was enacted to "Regulate the practice of the system, method or science of treating diseases, known as Osteopathy, and creating a member on the Board of Medical Examiners of the State of Oregon and providing a penalty for the violation of this act." The law provides that any person holding a diploma from any established school of Osteopathy, recognized as of good standing by the Oregon Osteopathic Association, etc., upon application and presentation of said diploma to the State Board of Medical Examiners and satisfying said Board that he is the legal holder thereof, after passing a satisfactory examination, be granted a license by said Board. An examination in anatomy, physiology, chemistry, histology, pathology, gynecology, obstetrics, in the same manner as is required of other applicants, and theory and practice of Osteopathy. The examination fee, filing of licenses, refusals and revocation of licenses, penalty, etc., are the same as governing the Board in dealing with other applicants for license. The license granted an Osteopath as defined in section two: "The license provided for in the foregoing section shall not authorize the holder thereof to prescribe or use drugs in his practice or to perform major or operative surgery." to be filed and preserved of record in the office of the secretary of said Board. Such applicant, at the time and place designated by said Board, or at the regular meeting of said Board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine,

surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the Board shall deem advisable. Said Board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said Board. After examination, if the same is satisfactory, said Board shall grant a license to such applicant to practice medicine and surgery in the State of Oregon, which said license can only be granted by the consent of not less than four (4) members of said Board, except as hereinafter provided, in (and) which said license shall be signed by the president and secretary of said Board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars, and shall be paid by the applicant to the treasurer of said Board toward paying the expenses thereof; and such Board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this State, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the Board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.—Law of 1895.

The law of 1895 was amended giving the Board authority to establish reciprocity with other States.

In February, 1907, a law was enacted to "Regulate the practice of the system, method or science of treating diseases, known as Osteopathy, and creating a member on the Board of Medical Examiners of the State of Oregon and providing a penalty for the violation of this act." The law provides that any person holding a diploma from any established school of Osteopathy, recognized as of good standing by the Oregon Osteopathic Association, etc., upon application and presentation of said diploma to the State Board of Medical Examiners and satisfying said Board that he is the legal holder thereof, after passing a satisfactory examination, be granted a license by said Board. An examination in anatomy, physiology, chemistry, histology, pathology, gynecology, obstetrics, in the same manner as is required of other applicants, and theory and practice of Osteopathy. The examination fee, filing of licenses, refusals and revocation of licenses, penalty, etc., are the same as governing the Board in dealing with other applicants for license. The license granted an Osteopath as defined in section two: "The license provided for in the foregoing section shall not authorize the holder thereof to prescribe or use drugs in his practice or to perform major or operative surgery."

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; ‡, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; †, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

PENNSYLVANIA.

CAPITAL. HARRISBURG.

Population of State, 6,928,515.

(U. S. Census Bureau, 1906)

Number of Physicians, 10,361.

Pennsylvania, the second of the original thirteen states to adopt the constitution, has according to the United States census of 1900, a population of 3,021,115, as against 5,258,014 in 1890, representing an increase during the decade of 1,044,101, or 19.9 per cent. The following table shows the increase in population since 1790:

1790.....	434,373	1850.....	2,311,786
1800.....	602,365	1860.....	2,906,215
1810.....	810,091	1870.....	3,521,951
1820.....	1,047,507	1880.....	4,282,891
1830.....	1,318,233	1890.....	5,258,014
1840.....	1,724,033	1900.....	6,302,115

The total land surface of Pennsylvania is approximately 44,985 square miles. The average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 116.9; 1900, 101.1. It is the second state in the Union as regards wealth and population; it extends from 39 degrees 43 minutes to 41 degrees 15 minutes north latitude, and from 74 degrees 40 minutes to 80 degrees 41 minutes west longitude, and is bounded on the north by the state of New York and Lake Erie, on the south by Delaware, Maryland and West Virginia, on the east by New York and New Jersey, and on the west by Ohio and West Virginia. It has the shape of a rectangle, which is 303 miles long from east to west, and 176 wide from south

to north. Its boundaries are straight lines with the exception of the eastern, which is formed by the Delaware river, and the western extremity of the northern, which is formed by Lake Erie. The state is naturally divided into three parts: a southeastern district of plains and scattered hills; a central mountain belt of symmetrical and parallel ranges, and a western tableland of a rolling surface, deeply furrowed by fertile valleys. The principal rivers are the Susquehanna, Delaware, Lackawanna, Lehigh, Juniata, Monongahela, Schuylkill, Allegheny, Wyoming, Cumberland and Youghiogheny.

The climate varies considerably with the elevation above the sea, and while the lower portions of the state have very hot summers, the higher portions have pleasant summers, but long and severe winters. The mean annual temperature ranges from 44 degrees in the northern counties to 52 degrees in the southeast, and the rainfall varies in like manner from 38 inches to 45 inches and even more in the southeast corner.

Easton Sanitarium

DR. C. SPENCER KINNEY, Proprietor,

(For the treatment of nervous and mental Diseases)

Extensive improvements have been made in and about the Easton Sanitarium and grounds during the past few years, so that now with its three buildings, modern conveniences, handsomely furnished rooms, and the general air of home comfort which characterizes the place, it is especially adapted for the reception and care of those requiring rest and medical treatment, whether for nervousness, mild forms of mental trouble or drug habits. The fact that for over twenty years Doctor Kinney was Assistant Physician (late First Assistant) in the Middletown State Homopathic Hospital, of New York, guarantees that a man of experience is in charge and that everything will be done for the comfort and improvement of the patient's condition. VISIT HERE BEFORE DECIDING TO PLACE YOUR PATIENT ELSEWHERE.

MEDICAL LAW OF PENNSYLVANIA.

An Act to establish a Medical Council and three State Boards of Medical Examiners, to define the powers and duties of said Medical Council and said State Boards of Medical Examiners, to provide for the examination and licensing of practitioners of medicine and surgery, to further regulate the practice of medicine and surgery, and to make an appropriation for the Medical Council.

Whereas, The safety of the public is endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession;

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That there shall be established a Medical Council of Pennsylvania, consisting of the Lieutenant-Governor, the Attorney-General, the Secretary of Internal Affairs, the Superintendent of Public Instruction and the President of the State Board of Health and Vital Statistics and the Presidents of the three State Boards of Medical Examiners provided for in this act.

Sec. 2. The said council shall be known by the name and style of the Medical Council of Pennsylvania, and may make and adopt all necessary rules and regulations and by-laws not inconsistent with the Constitution and laws of this commonwealth, or of the United States, and shall have power to locate and maintain an office within this State for the transaction of business. Five members of the said Council shall constitute a quorum for the transaction of business.

Sec. 3. The said Council shall organize at Harrisburg within ten days from the date of the organization of the three boards of medical examiners, and shall elect from its own number a President, and a Secretary who shall also act as Treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of the said council shall receive no salary, except the Secretary and Treasurer, who shall receive a salary of not over five hundred dollars, and who shall file with the President of the Council a bond in the sum of one thousand dollars conditioned for the faithful performance of his duties. The necessary expenses of the said Council shall be paid out of the appropriation made in section 16 of this act, and any balance remaining from the appropriation after the disbursements herein specified shall be paid into the treasury of the commonwealth.

2808 LOCUST STREET, ST. LOUIS, MO.
"The Most Successful Treatment" for Liquor Drinking, Morphine and
other Narcotic Drug Using, Neurasthenia, Tobacco and Cigarette
addictions. Correspondence and Consultation Confidential.
DR. J. E. BLAINE, PHYSICIAN AND MANAGER
Home Treatment for Tobacco and Neurasthenia. (SEE PAGE 5.)

Sec. 5. The said Medical Council shall hold two stated meetings in each year at Harrisburg and may hold special meetings at such times and places as it may deem proper. It shall supervise the examinations conducted by the three State Boards of Medical Examiners of all applicants for license to practice medicine and surgery in this commonwealth, and shall issue licenses to practice medicine and surgery to such applicants as have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section 13 of this act, or have successfully passed the examination of one of the three State Boards of Medical Examiners, but all such examinations shall be made by the State Boards of Medical Examiners established in section 6 of this act. And the said Medical Council shall have no power, duty or functions except such powers, duties and functions as pertain to the supervision of the examinations of applicants for licenses to practice medicine and surgery and to the issuing of licenses to such applicants as have successfully passed the examination of one of the State Boards of Medical Examiners, or have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other States, as provided for in section 13 of this act.

Sec. 6. It is further enacted that from and after the first day of March, A. D. 1894, there shall be and continue to be three separate Boards of Medical Examiners for the State of Pennsylvania, one representing the Medical Society of the State of Pennsylvania, one representing the Homœopathic Medical Society of the State of Pennsylvania, one representing the Eclectic Medical Society of the State of Pennsylvania.

Each board shall consist of seven members, and each of said members shall serve for a term of three years from the first day of March next after his appointment, with the exception of those first appointed, who shall serve as follows: Two of each board for one year, two of each board for two years, and three of each board for three years, from the first day of March, A. D. 1894.

The Governor shall in his first appointments designate the number of years for each, from the full lists of the members of the said medical societies, which list shall on or before the first day of January, 1894, and annually thereafter, be transmitted to the Governor under the seal and signed by the Secretary of the society so nominating. From these lists of nominees respectively the Governor shall during the month of January, A. D. 1894, appoint three separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of failure of any or all of said medical societies to submit lists as aforesaid, the Governor shall appoint members in good standing of the corresponding society or societies, entitled to nominate without other restrictions. Each one of the said appointees must be a registered physician in good standing and shall have practiced medicine or surgery under the laws of the State for a period of not less than ten years prior to such appointment.

The Governor shall fill vacancies by death or otherwise, for unexpired terms of said examiners from their respective lists submitted by the said medical societies, and may remove any member of any of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said members may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve. The appointments of successors to those members whose term of office will expire on the first day of March of each year shall be made by the Governor during the month of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to the appointment of three separate examining boards, each to be composed exclusively of members of the same medical school and society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of Boards of Medical Examiners of the State of Pennsylvania. Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of the commonwealth.

Each of said boards shall be authorized to take testimony concerning all matters within its jurisdiction, and the presiding officer for the time being of either of said boards, or of any of the committees thereof, may issue subpoenas and administer oaths to witnesses. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the Constitution and laws of this State, or of the United States, whereby to perform the duties and transact the business required under the provisions of this act; said rules, regulations and by-laws to be subject to the approval of the Medical Council of Pennsylvania established by this act.

Sec. 8. From the fees provided by this act the respective boards may pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year it shall be apportioned among said members pro rata according to the number of candidates examined by each: Provided, That the Medical Council shall keep separate accounts of all fees received from physicians applying for licenses to practice medicine or surgery and shall not devote any such fees to the use of the council, or to the uses or remuneration of any other examining board than that of the society with which the physician who pays the fee wishes to be affiliated.

Sec. 9. The first meeting of each of the examining boards respectively shall be held on the first Tuesday of April, 1894, suitable notice in the usual form being given with the notice of their appointment by the Secretary of the Commonwealth to each of the members thereof, specifying the time and place of meeting.

At the first meeting of each of the boards respectively an organization shall be effected by the election, from their own membership, of a President and Secretary. For the purpose of examining applicants for license each of said Boards of Medical Examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of the board shall consti-

tute a quorum thereof, but the examination may be conducted by a committee of one or more members of the board of examiners duly authorized by said board.

Sec. 10. The several Boards of Medical Examiners shall not less than one week prior to each examination submit to the Medical Council of Pennsylvania questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica; from the list of questions so submitted the council shall select the questions for each examination, and such questions for each examination shall be the same for all candidates, except that in the department of therapeutics, practice of medicine and materia medica, the questions shall be in harmony with the teachings of the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the Medical Council of Pennsylvania and shall embrace the subjects named in section 10 of this act. After each such examination the board having charge thereof shall without unnecessary delay act upon the same. An official report of such action, signed by the President, Secretary and each acting member of said Board of Medical Examiners, stating the examination, average of each candidate in each branch, the general average and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Medical Council. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 12. On receiving from any of said Boards of Medical Examiners such official report of the examination of any applicant for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed said examination, and who shall have been adjudged by the Medical Council to be duly qualified for the practice of medicine, a license to practice medicine and surgery in the State of Pennsylvania. The Medical Council shall require the same standard of qualifications from all candidates, except in the departments of therapeutics, practice of medicine and materia medica, in which the standard shall be determined by each of the boards respectively. Every license to practice medicine and surgery issued pursuant to this act shall be subscribed by the officers of the Medical Council and by each medical examiner who reported the licentiate as having successfully passed said examinations. It shall also have affixed to it by the person authorized to affix the same the seal of the commonwealth.

Before said license shall be issued it shall be recorded in a book to be kept in the office of the Medical Council, and the number of the book and page therein containing said recorded copy shall be noted upon the face of said license. Said records shall be open to public inspection, under proper restrictions as to their safekeeping, and in all legal proceedings shall have the same weight as evidence that is given to the conveyance of land.

Sec. 13. From and after the first day of July, A. D. 1894, any person not theretofore authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, may deliver to the Secretary of the Medical Council, upon the payment of a fee of twenty-five dollars, a written application for license, together with satisfactory proof that the applicant is more than 21 years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college of the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country; applicants who shall have received their degree in medicine after the first day of July, 1894, must have pursued the study of medicine for at least three years, including three regular courses of lectures, in different years, in some legally incorporated medical college or colleges, prior to the granting of said diploma, or foreign license, and after the first day of July, 1895, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures, in different years, in some legally incorporated medical college, or colleges, prior to the granting of said diploma or foreign license. Such proof shall be made, if required, upon affidavit. Upon the making of said payment and proof the Medical Council, if satisfied with the same, shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for license may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which the application was first made, without the payment of an additional fee. And it is provided further, That applicants examined and licensed by State Boards of Medical Examiners or State Boards of Health of other States, on payment of a fee of fifteen dollars to the Medical Council, and on filing in the office of the Medical Council a copy of said license certified by the affidavit of the President or Secretary of such board showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Board of Health, is substantially the same as is provided by sections 11, 12 and 13, of this act, shall without further examination receive a license conferring on the holder thereof all the rights and privileges provided by sections 14 and 15 of this act.

Sec. 14. From and after the first day of March, A. D. 1894, no person shall enter upon the practice of medicine or surgery in the State of Pennsylvania, unless he or she has complied with the provisions of this act, and shall have exhibited to the prothonotary of the Court of Common Pleas of the county in which he or she desires to practice medicine or surgery, a license duly granted to him or her as hereinbefore provided, whereupon he or she shall be entitled upon the payment of one dollar to be duly registered in the office of the prothonotary of the Court of Common Pleas in the said county, and any person violating any of the provisions of this act shall be guilty of a misdemeanor and upon conviction thereof in the Court of Quarter Sessions of the county wherein the offense shall have been committed, shall pay a fine of not more than \$500 for each offense.

Sec. 15. Nothing in this act shall be construed to interfere with or punish commissioned medical officers serving in the army or navy of the United States, or in the United States Marine Hospital service while so commissioned, or medical examiners of relief departments of railroad companies while so employed, or any one while actually serving as a member of the resident medical staff of any legally incorporated hospital, or any legally qualified and registered dentist exclusively engaged in the practice of dentistry, or shall interfere with or prevent the dispensing and sales of medicines or medical appliances by apothecaries, pharmacists, or interfere with the manufacture of artificial eyes, limbs or orthopedical instruments or trusses of any kind for fitting such instruments on persons in need thereof, or any lawfully qualified physicians and surgeons residing in other States or countries, meeting registered physicians of this State in consultation, or any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office, or appoint a place to meet patients or receive calls, within the limits of Pennsylvania, or physicians duly registered in one county of this State called to attend cases in another county, but not residing or opening an office therein. And nothing in this act shall be construed to prohibit the practice of medicine and surgery within this commonwealth by any practitioner who shall have been duly registered before the first day of March, A. D. 1894, according to the terms of this act, entitled "An act to provide for the registration of all practitioners of medicine and surgery," approved the eighth day of June, A. D. 1881, and one such registry shall be sufficient warrant to practice medicine and surgery in any county in this commonwealth.

Sec. 16. The sum of \$2,000 is hereby appropriated out of any moneys in the State Treasury not otherwise appropriated, for the salary of the Secretary and Treasurer of said Medical Council and the necessary expenses of said Council, \$1,000 thereof for the year beginning January 1, 1894, and \$1,000 thereof for the year beginning January 1, 1895.

Sec. 17. All acts or parts of acts of Assembly inconsistent herewith shall be and are hereby repealed.

Approved the 18th day of May, A. D. 1893.

WE FURNISH

LISTS OF NAMES

UP-TO-DATE ANY BUSINESS---ANY LOCALITY ACCURATE

We can also print your envelopes and advertising matter, address your envelopes or wrappers, fold, enclose and mail your circulars.

We publish over 250 City, County, State and National Directories; therefore have unexcelled facilities for furnishing lists or addressing envelopes to any trades and professions that are not covered by our National Trade Directories.

AS DIRECTORY PUBLISHERS

we have available the manuscript matter that we intend utilizing in directories being compiled and therefore can **ADDRESS YOUR ENVELOPES FROM UP-TO-DATE INFORMATION BEFORE IT APPEARS IN TYPE** and consequently **BEFORE IT IS IN THE HANDS OF FIRMS WHOSE BUSINESS IS SOLELY FURNISHING LISTS OF NAMES**. It costs us more to compile lists from our advance manuscript Directory information, but for every extra dollar you pay for lists in advance of publication **YOU SAVE TEN DOLLARS IN POSTAGE**.

Price lists and prospectus of any of our National Publications and Trade Lists sent on application.

University of Pittsburgh

School of Medicine

PITTSBURGH,

PENNSYLVANIA.

THOMAS SHAW ARBUTHNOT, M. D., Dean.

Session of 1910-11 begins the latter part of September in new building on University site. Students who have completed the course covered by standard four-year High Schools or Normal Schools will be eligible for admission, provided a sufficient amount of laboratory work has been done in Physics and Chemistry.

Session, thirty-two weeks a year for four years. Laboratories will be modern in all respects. Teaching in ten general and special hospitals, including resident service in Maternity Hospital. Section teaching a special feature.

For Bulletin or Other Information, Address:

S. B. Linhart, Secretary,

UNIVERSITY OF PITTSBURGH,

Pittsburgh, Pa.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS. 1414 N. Illinois, Indianapolis, Ind.

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

ESTABLISHED 1879

A WISE SUGGESTION

When making up your List of Journals, Include

The Medical Summary

The Summary is a Monthly Journal of Practical Medicine, New Preparations, etc. No long articles; brief, practical and reliable.

The Summary has cut a niche of its own, which no other journal can exactly fill; it is not an organ of any section, clique or ring, but is a national journal, reaching the rank and file of the profession throughout every section of the United States and Canada. It ranks among the most popular of all the medical journals. Therefore its merits and advantages as an advertising medium are too apparent to need any extended mention.

For Rates, Etc. Address

THE MEDICAL SUMMARY

2321 Park Avenue,

-

-

PHILADELPHIA, PA.

WE FURNISH

LISTS OF NAMES

UP-TO-DATE ANY BUSINESS---ANY LOCALITY ACCURATE

We can also print your envelopes and advertising matter, address your envelopes or wrappers, fold, enclose and mail your circulars.

We publish over 250 City, County, State and National Directories; therefore have unexcelled facilities for furnishing lists or addressing envelopes to any trades and professions that are not covered by our National Trade Directories.

AS DIRECTORY PUBLISHERS

we have available the manuscript matter that we intend utilizing in directories being compiled and therefore can **ADDRESS YOUR ENVELOPES FROM UP-TO-DATE INFORMATION BEFORE IT APPEARS IN TYPE** and consequently **BEFORE IT IS IN THE HANDS OF FIRMS WHOSE BUSINESS IS SOLELY FURNISHING LISTS OF NAMES**. It costs us more to compile lists from our advance manuscript Directory information, but for every extra dollar you pay for lists in advance of publication **YOU SAVE TEN DOLLARS IN POSTAGE**.

Price lists and prospectus of any of our National Publications and Trade Lists sent on application.

BURN-BRAE

A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES

Founded by the late ROBERT A. GIVEN, M. D., 1859.

CLIFTON HEIGHTS, Delaware County, PENNSYLVANIA

E. L. GIVEN, Proprietor.

HERBERT C. STANTON, M. D., Supt.

PAUL H. BIKLE, M. D., Asst. Physician.

This institution is located a few miles west of the city of Philadelphia, at Primos Station, on the Philadelphia & Baltimore Central Railroad, and is designed to accommodate a limited number of patients of each sex.

The grounds, originally twenty-five acres in extent, have been increased to sixty acres, thus securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful, the house, though possessing all the safeguards and appliances of a public hospital, in external appearance and internal arrangements presents nothing to unfavorably impress the inmates.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot, Broad and Filbert Streets, Philadelphia.

All packages by express, postal and telegraphic communication should be addressed

BURN-BRAE, Clifton Heights, Delaware County, Pa.
Long Distance Telephone 17 Lansdowne, via Philadelphia.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

Don't STAMMER

are endorsed by hundreds of ex-pupils, prominent physicians and leading business men. Book, "Advice to Stammerers" and reference sent on request. Address **The BENJ. N. BOGUE INSTITUTE FOR STAMMERERS, 1414 N. Illinois, Indianapolis, Ind.**

I cured myself after stammering badly for nearly twenty years. I now employ the same methods to cure others. As "like cures like," what worked a cure with me will likewise permanently cure others. Graduates are found in every state, territory and some foreign countries. Students are accommodated in a home-like dormitory. Methods

RHODE ISLAND.

CAPITAL, PROVIDENCE.

Population of State, 490,387.
(U. S. Census Bureau of 1906.)
Number of Physicians, 740.

Rhode Island, one of the original thirteen states, extends from 41 degrees 18 minutes to 42 degrees 5 minutes north latitude, and from 71 degrees 8 minutes to 71 degrees 53 minutes west longitude, and is bounded on the north and east by Massachusetts, on the south by the Atlantic ocean, and on the west by Connecticut. The total land surface is, approximately, 1,053 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 328.1; 1900,

407. The climate, like that of all the New England States, is marked by extremes, the winters being very cold and the summers correspondingly hot. The mean annual temperature at Providence is 47.91 and at Newport 49.39 degrees, and the average annual rainfall varies from 40 inches in the eastern part to 44 in the west. The eastern part of the state is deeply indented by Narragansett Bay, an inlet of the Atlantic ocean, which extends 30 miles inland and includes several islands, of which Rhode Island (from which the state received its name), Conanicut, Prudence, Hope and Patience are the principal. Block Island, which lies off the southern coast about ten miles distant, also belongs to the state.

MEDICAL COLLEGES BOTH EXISTING AND EXTINCT IN NORTH AMERICA IN *Polk's Medical Register and Directory*

1692 Rhode Island (1910) POLK'S MEDICAL REGISTER Rhode Island

The surface of Rhode Island is broken and hilly, but has no elevations that might be termed mountains. Swamps, ponds and marshes border the coast. There are a number of rivers which afford extensive water power, and numerous small lakes and ponds. The soil is moderately productive, but on the islands in Narragansett Bay is very fertile. Rhode Island is pre-eminently a manufacturing state, and leads all others in this respect in proportion to population. The 1900 census reports 4,189 establishments, with an invested capital of \$183,784,587, and an output valued at \$184,074,378. While the manufactures of Rhode Island are widely diversified, there are particular branches in which the state has won a world-wide reputation. The fineness of its textiles, the wealth and beauty of manufactures of gold and silver, the products of its foundries and machine shops, the accuracy of its fine tools in use in every quarter of the globe, the reputation its steam engines have acquired in manufacturing circles, and its enormous output of rubber boots and shoes, all combine to preserve and extend this reputation. The fisheries are important. Over \$1,500,000 is annually expended on the public schools.

The following table shows the increase in population since 1830:

1830.....	97,199	1870.....	217,853
1840.....	108,830	1880.....	276,531
1850.....	147,545	1890.....	345,506
1860.....	174,620	1900.....	428,556
1905 (State Census), 480,082.

MEDICAL LAWS OF RHODE ISLAND.

Chapter 193 of the General Laws of the Practice of Medicine.

Section 1. It shall be the duty of each town and city clerk to purchase a book of suitable size, to be known as the "medical register" of each city or town, and to set apart one full page for the registration of each physician; and when any physician shall die or remove from the city or town, said clerk shall make a note of the same at the bottom of the page, and shall on the first day of January in each year transmit to the office of the state board of health a duly-certified list of the physicians of said city or town registered under this chapter, together with such other information as is hereinafter required, and perform such other duties as are required by this chapter; and such clerk shall receive the sum of fifty cents from each physician so registered, which shall be his full compensation for all the duties required under this chapter.

Sec. 2. It shall be unlawful for any person to practice medicine or surgery in any of its branches, within the limits of this state, who has not exhibited and registered, in the city or town clerk's office of the city or town in which he or she resides, his or her authority for so practicing medicine as herein prescribed, together with his or her age, address, place of birth, and the school or system of medicine to which he or she proposes to belong; and the person so registering shall subscribe and verify by oath, before such clerk, an affidavit containing such facts, which, if willfully false, shall subject the affiant to conviction and punishment for perjury.

Sec. 3. Authority to practice medicine under this chapter shall be a certificate from the state board of health, and said board shall, upon application, after examina-
tion, issue a certificate to any reputable physician who intends to practice medicine or surgery in this state and who shall present himself before the state board of health and pass in a satisfactory manner such examination as said board may require. Any physician so presenting himself shall pay to said board the sum of ten dollars (\$10) for each examination, and said fee shall in no case be returned, but shall be applied to pay the expenses of said board of health in conducting such examinations. Each certificate so issued shall be signed by the president and countersigned by the secre-
tary of said board and shall be attested by the official seal, and not more than two dollars (\$2) shall be charged for a certificate.

Rhode Island

OF NORTH AMERICA (1910)

Rhode Island 1695

Sec. 4. Nothing in this chapter shall be so construed as to authorize any itinerant doctor to register or to practice medicine in any part of this state.

Sec. 5. The board may, after due notice and hearing, in its discretion refuse to grant the certificate provided for in section 3 of this chapter to any physician who is not of good moral character, or who has violated any of the laws of the state, or who has been guilty of gross unprofessional conduct or conduct of a character likely to deceive or defraud the public, and may, after due notice and hearing, revoke any certificate issued or granted by it heretofore for like cause or for any fraud or deception committed in obtaining such certificate, or for any other cause which in the opinion of said board shall render the holder of such certificate an unfit person to practice medicine in this state. The members of said board are hereby severally authorized to administer oaths, and said board, in all cases or proceedings pending before it, is hereby authorized and empowered to summon witnesses by subpoena signed by the secretary of said board, and to compel such witnesses to attend and testify in the same manner as witnesses are compelled to appear and testify in either division of the supreme court; and said board is authorized to compel the production of all papers, books, documents, records, certificates, or other legal evidence that may be necessary or proper for the determination and decision of any question or the discharge of any duty required by law of said board, by issuing a subpoena duces tecum, signed by the secretary; and every person disobeying any such writ shall be considered as in contempt, and said board may punish any contempt of its authority in like manner as contempt may be punished by either division of the supreme court. Any person who shall willfully swear falsely in any proceeding, matter, or hearing before said board shall be deemed guilty of the crime of perjury. Said board shall serve a copy of its decision or ruling upon any person whose certificate has been refused or revoked. Any person aggrieved by any decision or ruling of said board may, within ten days after receiving said notice, exclusive of Sundays and legal holidays, taken an appeal therefrom to the appellate division of the supreme court, sitting at Providence, and shall file therein his reasons of appeal, and serve a copy thereof on the secretary, or person performing the duties of secretary, of said board; and said appellate division of the supreme court shall, as soon as may be, hear and determine said appeal.

Sec. 6. Nothing in this law shall be so construed as to discriminate against any particular school or system of medicine, or to prohibit gratuitous services in case of emergency; nor shall this chapter apply to commissioned surgeons of the United States army, navy, or marine hospital service, or to legally qualified physicians of another state, called to see a particular case, in consultation with a registered physician of this state, but who do not open an office or appoint any place in this state where they may meet patients or receive calls.

Sec. 7. Complaints for violation of the provisions of this chapter shall be made by the secretary of said board, and said secretary shall be exempt from giving surety for costs on any complaint made as aforesaid.

Sec. 8. Any person who, not being then lawfully authorized to practice medicine within this state, and so registered according to law, shall practice medicine or surgery or attempt to practice medicine or surgery, or any of the branches of medicine or surgery, after having received therefor or with the intent of receiving therefor, either directly or indirectly, any bonus, gift, or compensation, or who shall open an office with intent to practice medicine or shall hold himself out to the public as a practitioner of medicine, whether by appending to his name the title of doctor or any abbreviation thereof, or M. D., or any other title or designation implying a practitioner of medicine, or in any other way, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined fifty dollars, and upon each and every subsequent conviction shall be fined one hundred dollars and imprisoned thirty days, either or both, in the discretion of the court; and in no case when any provision of this chapter has been violated shall the person so violating such provision be entitled to receive compensation for services rendered.

Instructions.—Application Forms May be Obtained by Addressing the Secretary of the Board.

1. Applicant must fill out in his or her own handwriting the numbered blanks of the form, and the application must be in the hands of the secretary of the state board of health at Providence at least 14 days before examination.

2. The fee of ten dollars, prescribed by law, must accompany the application. Unless paid in person the fee should be transmitted by postal money order, draft or check, and made payable to the secretary of the state board of health. No responsibility will be assumed for fees transmitted by mail in any other form. This fee, as provided in the act, "shall in no case be returned." The fee for certificate, when issued, is two dollars.

3. If the applicant has a literary, or scientific, or medical degree, the diploma shall be presented at the time of the examination.

4. Examinations shall be in writing, and in English, and of a practical character, but sufficiently strict to test the qualifications of the applicant as a practitioner. The assistance of an interpreter is not permitted.

Examinations will be presented upon the following subjects or groups of subjects: 1, Anatomy and Physiology; 2, Materia Medica and Chemistry; 3, Pathology; 4, Surgery; 5, Theory and Practice; 6, Obstetrics and Gynæcology; 7, Hygiene and Medical Jurisprudence.

5. Examinations will be held at the State House, room 315, commencing at 9 a. m., on the first Thursday in January, April, July, and October.

6. Ten questions will be presented upon each subject or group of subjects. An average of seventy-five per cent (75) of correct answers will be required.

7. At the time of taking the examination the applicant must file with the board a recent photograph of himself, to which he shall affix his signature in the presence of some member of the board.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R. Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ‡, Dentist; R. D. 1, Rural Free Delivery No. 1.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 143-189) indicates the college of graduation, and the last number the year in which diploma was granted.

THE ATTLEBORO SANITARIUM

ATTLEBORO, MASS.

QUICKLY and easily reached from Providence by train or trolley. A magnificent institution where the sick find every comfort, convenience, and assistance to recovery. Its work is strictly ethical, carried on by an experienced staff of regular physicians and trained nurses.

Among the advantages are: baths of every description, massage, medical gymnastics, electricity, X-ray, high frequency, mechanical Swedish movements, rest cure, carefully arranged dietary and research laboratories.

The main building is of solid stone and offers accommodations for 100 guests. Many guest rooms have private baths, open fireplaces, and every other modern convenience.

Physicians are especially invited to investigate.

For particulars call or write

(1910) POLK'S MEDICAL REGISTER

South Carolina

SOUTH CAROLINA.

CAPITAL, COLUMBIA.

Population of State, 1,453,818.

(U. S. Census Bureau, 1906.)

Number of Physicians, 1,258.

South Carolina, one of the original thirteen states, has, by the United States Census of 1900, a population of 1,340,316, as compared with a population in 1890 of 1,151,149, representing an increase during the decade of 189,167, or 16.4 per cent. The following table

with numerous inlets and fringed with numerous small islands, cut off from the mainland by sounds affording a safe passage for river steamers—famous for the fine quality of cotton they produce. The surface from the seaboard for about a hundred miles inland is low, mainly level and diversified by extensive swamps and vast timber tracts. Here grow the cypress and pine, the yucca, the magnolia, the palmetto, cotton, rice, oranges and tropical fruits. The "middle country" beyond this is more or less southwest by the Savannah river, which

MEDICAL COLLEGE

OF THE

STATE OF SOUTH CAROLINA

CHARLESTON, S. C.

Departments of Medicine and Pharmacy

The seventy-ninth course of lectures commences Oct. 1st, 1910, and ends on May 1st, 1911.

Practical instruction in medicine and pharmacy is given in the new Roper Hospital, of which the faculty have charge during the sessions of the college.

ROBERT WILSON, JR., M. D.,
Dean.

shows the increase in population since 1830:

1830.....	581,185	1870.....	705,606
1840.....	594,398	1880.....	995,577
1850.....	668,507	1890.....	1,151,149
1860.....	703,708	1900.....	1,340,316

The total land surface is, approximately, 30,170 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 38.2; 1900, 44.4.

It extends from 32 degrees to 35 degrees north latitude, and from 78 degrees 38 minutes to 83 degrees 30 minutes west longitude, and is bounded on the north by North Carolina, on the southeast by the Atlantic ocean. It has

a coast line of about 200 miles, indented separates it from Georgia, and on the rolling and broken by sand hills. The northwest portion of the state is mountainous, being occupied by the spurs and the outlying ranges of the Blue Ridge. The winters are short and temperate, seldom of more than eight weeks, and the summers, though long, are not hot or enervating, being tempered in the east by the vicinity of the ocean, and in the west by the elevation. The mean annual temperature ranges from 60 degrees in the north to 67 degrees in the south, and the average annual rainfall is about 45 inches.
